

GARCÍA REQUEJO - CANDELABRO

MORE THAN 50 YEARS BRINGING LIGHT TO THE FUTURE

Our main challenge is to fulfill customer's expectations

García Requejo - Candelabro was founded in 1962 and has always been focused in high standard decoration & lighting products, we have designed our own lamps since the beginning and many of them are still best sellers and since then identity of our company.

Most of our products are exclusive designs, we have a very wide collection and our products are always in stock so we can deliver them to you right away.

We are very proud to say that passion, design & efficiency are the 3 basic pillars of our company and they are the reason why we have been for over 50 years and still are a worldwide reference in the high standard decoration & lighting markets, we have a very reliable team and we believe that thanks to their good work Garcia Requejo - Candelabro is what it is today.

Since 1962 around the world

CONTRACT

We specialize in creating unique, comfortable and efficient spaces.

Different hotels, designers & architects have trusted Garcia Requejo to create efficient spaces all around the globe for the 5 past decades, we also offer our lighting engineers support and knowledge to help you developing your lighting projects.
